THE STUDENTS OF SANTA FE HIGH SCHOOL
PRESENT THE 1971 LEGEND . . .

to one
who offers awareness
instead of conditioning

to one
who regards students as friends
and the future of a great country

to one
who gives leadership to the community
and inspiration to colleagues

to one
who believes teaching is a way of life
to one JOHN GARLOCK VINCENT

Ernie,
I tell Ernie
this is your
last year at school
I hope you have
a nice summer
good luck in
the future &
it was fun
knowing you
all this past
year. BE

We think back
all the thoughts
all the smiles
all the days
when we were together

this was a time
catching up on everything
that will never be
yet we will never forget

now we will choose
where we go
which way we turn
always thinking back
relating to our past

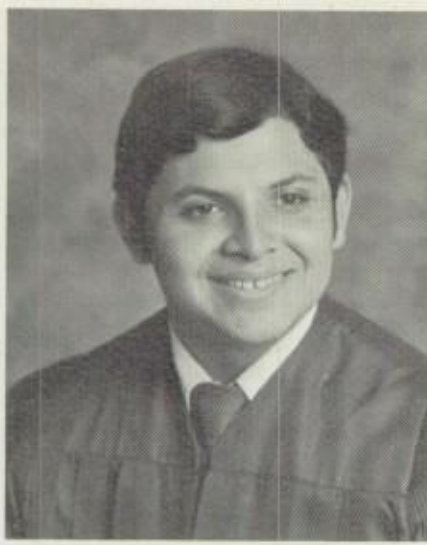

We are all going
to face the world
together

alone . . .

NEWS STAFF

Santa Fe had one of the largest newstaff classes in the history of Santa Fe. The Chieftain circulates more than 2,000 copies each issue. The paper increased its number of publications this year from the traditional bi-monthly to a tri-monthly to keep Santa Fe students better informed about their school.

A.S.B. CABINET

This year's A.S.B. Cabinet has proven themselves successful in bridging the communication gap between the student body and student government. Through the cabinet's organization, time, concern and effort, it was possible for any student to have his say in our school government. The suggestion box which was placed in the Activities Office brought about constructive criticism which the cabinet graciously accepted and attempted to work with.

JIM MADRID A.S.B. PRESIDENT

During this past year, Jim Madrid has endeavored to fulfill his responsibilities as our A.S.B. President. Not only did Jim face each responsibility with his utmost effort but he provided Santa Fe with a true example of leadership ability. Through Jimmy's hard work and undying school spirit he received an image of being an exceptional A.S.B. President.

TIM BENNET VICE-PRESIDENT

An integral part of the A.S.B. Cabinet is the office of Vice-President. Without the support of a good Vice-President, the President might fall back on his duties. But together as one, the President and Vice-President can accomplish many things. Tim Bennet is definitely one who leads. He has shown exceptional qualities as our Vice-President and has displayed an attitude of sincerity and spirit which have bettered S.F.

Santa Fe's team has also become well known throughout the hierarchy of the United States Volleyball Association. Their hospitality is well known as they have been hostess in an exceptional manner to the AAU National Men's Championships as well as international teams from the U.S., Mexico, Canada, and Brazil.

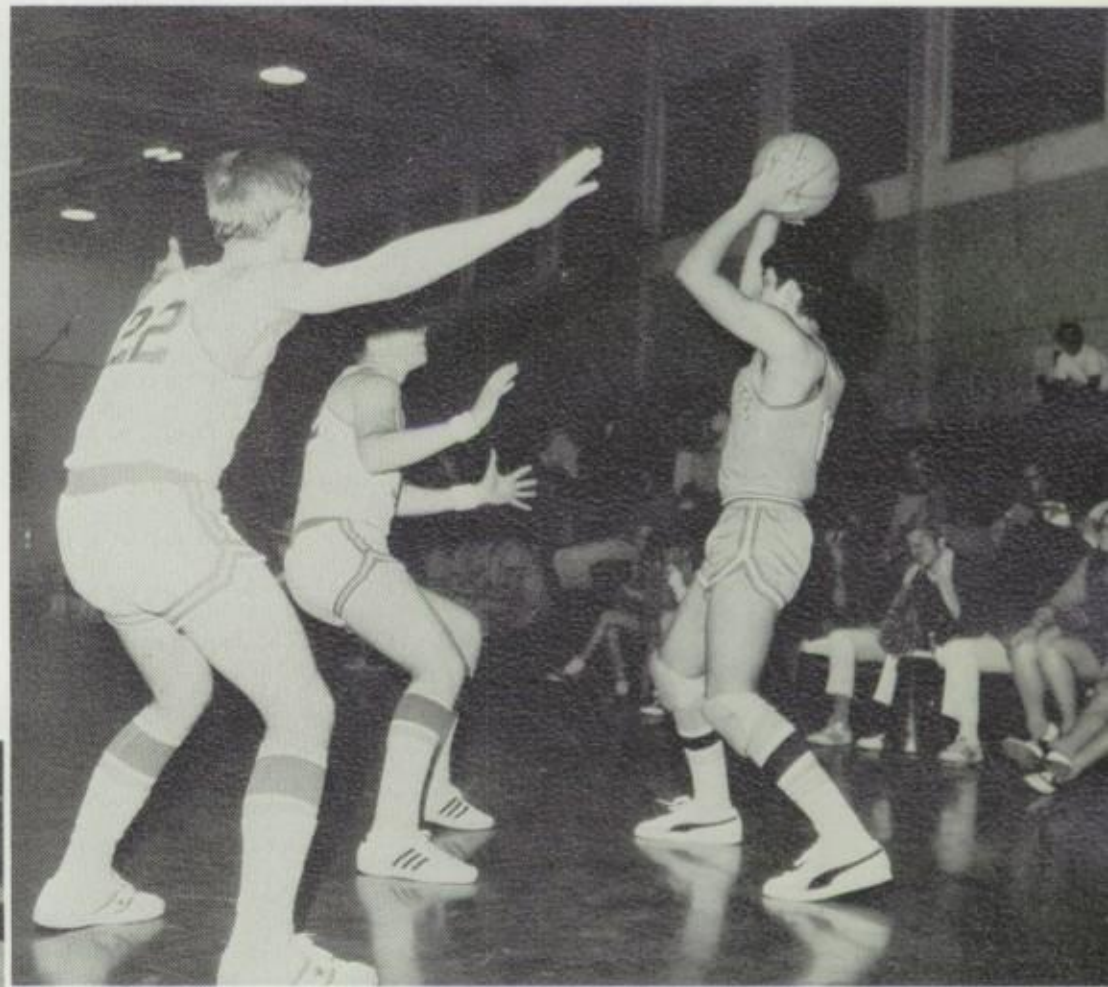

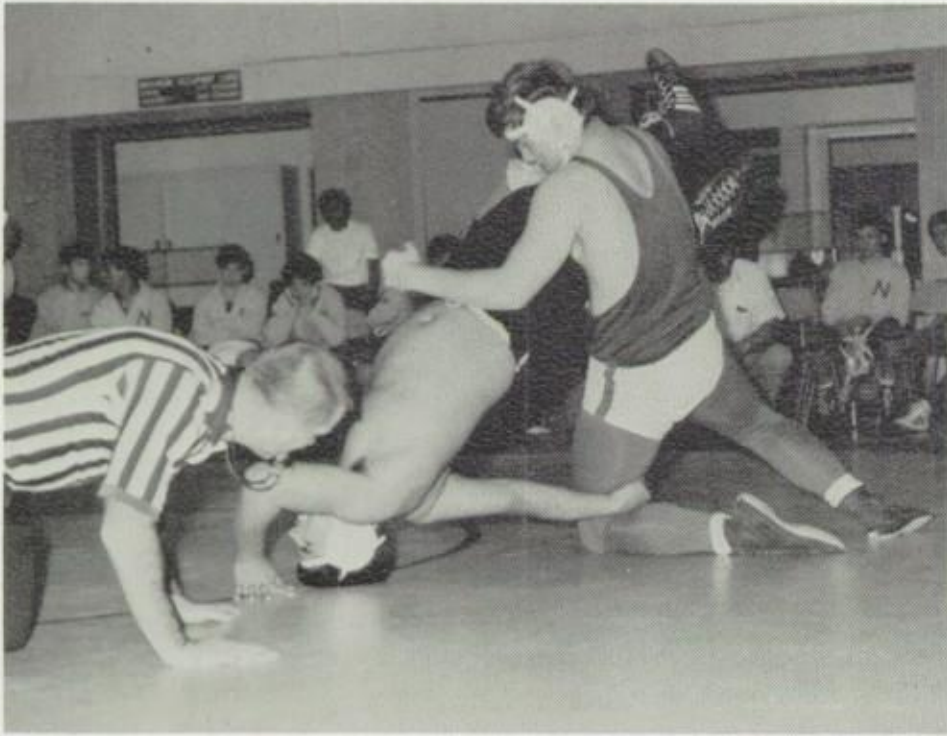

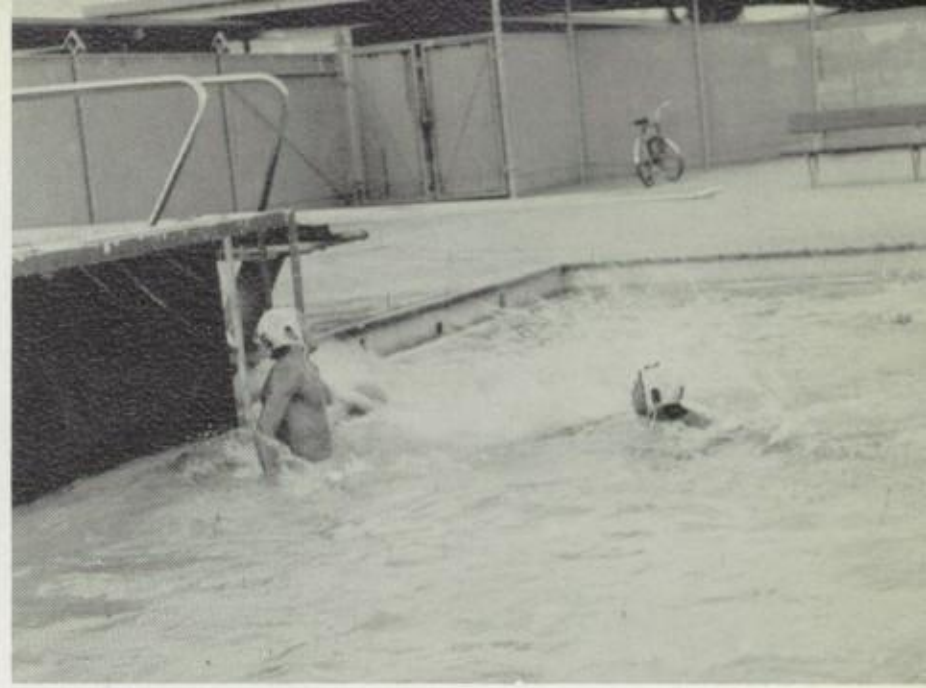

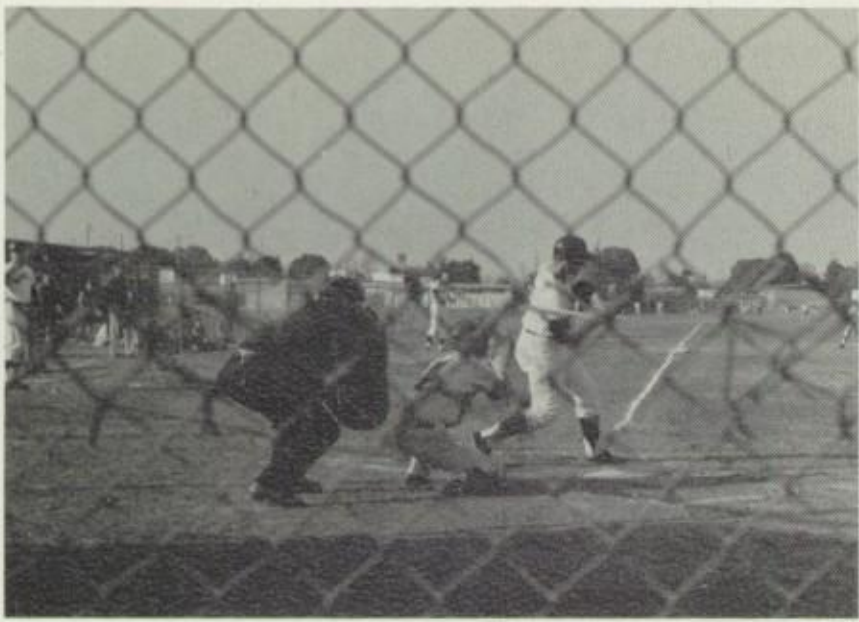

The girls have no secret formula for success, unless you call hours and hours of hard practice secret. They take pride in their fine record. And Santa Fe can be proud of them.

A black and white photograph capturing a moment during a volleyball game. In the foreground, a player with long dark hair, wearing a white jersey and dark shorts, is seen from the side, looking upwards towards a ball in the air. To her left, another player in a similar uniform is also looking up. In the background, a volleyball net is stretched across the court. Several other players are visible, some in white jerseys and others in darker clothing. The court floor is highly reflective, showing clear reflections of the players and the net. The overall scene is dynamic and focused on the action of the game.

Fantastic! That's just one of the words to describe Santa Fe's 1970-71, Varsity, Cross Country Team. It was unnecessary to promote spirit as the team was already filled with enthusiasm. The team was always waiting for their next rival. Defeat came only once, and the team united even more to end up with a 4-1 record, not to mention a victorious pre-league record. Many hours of hard work were put into practice. Joe Pearson and Steve Gallion, team captains, assisted Mr. Winder to complete a fine season. Good work team!

This was a frustrating season for the Chiefs of Santa Fe. It is unusual to have such a good line and not win many games. This squad was inexperienced, but played with enthusiasm. The main highlight of the season was the winning of our Homecoming game. There are many fine players coming back that will form the nucleus for an outstanding ball club in 1971. Many awards were received by the most outstanding players of the season. Those honored were: Dave Bayless-Outstanding Defensive Back; Gaylord Hancock-Chief of the Year, Most Hatchets; Ken LaVigne-Most Inspirational, All-League; Pat Legg-Outstanding Defensive Lineman; Fred Martinez-Most Tackles; Alan Pierce-Outstanding Defensive Lineman; Rex Tumminia-All-League; Hans Verstegan-Outstanding Offensive Back, Most Hatchets, All-League. With only two returning varsity lettermen, this year's varsity water polo team was an exceptionally successful one. With a relatively inexperienced team they won half of the sixteen games played.

Water polo is an unbelievably demanding sport and the team's achievements are greatly due to a rigorous training program. Each day during sixth period and after school hours they are hard at work. On an average they work out two and a half to three hours a day, which is twelve and a half to thirteen hours a week! Obviously, an enormous amount of individual effort and drive is required for a good water polo team. Along with this goes an incredible amount of skill, an ability to work together as a team, and above all an overwhelming team spirit.

Awards given included Dan VanderHoek, The Most Valuable Player; Del Brixey, Promoting Outstanding Spirit; and Gary Comeau, Most Improved.

... and a broken laugh,
and a thousand memories,

and not one single regret ...

Cornie,
I want to wish you
all the love, happiness, and
success in the years to come.
I hope we never lose touch of
each other, and always continue to
be friends.

Love,
Dolores Gomez
